Author: Abraham Verghese

OPRAH'S BOOK CLUB PICK AND A NEW YORK TIMES BESTSELLER

Spanning the years of 1900 to 1977, the setting for this book is Kerala, India and follows three generations of a family that suffers a peculiar affliction: in every generation, at least one person dies by drowning—and in Kerala, water is everywhere.

***The Covenant of Water* is a humbling testament to the difficulties undergone by past generations for the sake of those alive today.**
